Round your bill up to help others in the Community

Imagine the opportunity to help build our community with what amounts to little more than spare change. That's exactly what each member of Riverland Energy Cooperative can do when they choose to participate in the Community Cares program. You round up your bill to the nearest dollar and that spare change goes in to a fund to be donated to a worthy cause. It uses the power of cooperation to provide much needed grant dollars for community projects, 501(c)3 organizations, and non-profit groups within Riverland Energy Cooperative's service territory. Applications for the grant, including qualifications, can be found on our website - www.riverlandenergy.com. Grants are awarded in March each year.

Members can voluntarily choose to have their monthly energy bill rounded up to the next whole dollar amount. For example, if your energy bill is \$41.60, it will automatically be rounded up to \$42, with the additional 40 cents going to the Community Cares fund.

If you would like to participate, please sign up below.

Yes! I want to sign up to have my monthly bill rounded up to the nearest dollar. I know that this money will be donated to a worthy cause, chosen by Riverland Energy Cooperative and the Riverland Community Cares Board of Directors. I understand that by signing and returning this form, my bill will be rounded up to the nearest dollar and that unless I call in to have that changed, this will happen until I no longer receive power from Riverland Energy Cooperative.
